Indiana, July 4th, 1853.
Park—Dear Sir:—It is with great pleasure I

ite about the very happy effects of your 'Dr. Gny ott's Extract of Yellow Duck and Sarsaparilla,' upon by daughter, who has been suffering under that dread ul disease of Erysipeles, with which she was attacked in 1848, and she was attended by some of our most skill ful physicians for over eight months perseveringly, without any heneficial effect whatever. She heeame redu ed to a perfect skeleton. She had ulcers from h = ul der to her knees, which centianally discharged offen sive matter. Her physic ans pronounced her ease hope ess, and beyond the reach of medicine. My neighbor and myself thought her discription near at hand. Oo of my neignbors maisted on my trying 'Dr. Guysott Extract of Yellow Dock and Sarsaparilla,' as a list re sort, for as all of our physicians had given her up, there could te no detriment in it. I consented to do so more om restless desire te do something for my daughter while life lasted, than from any hope of her getting re-lief. So I commenced using the medicine according to lirections, and to my great astonishmeot, she commeoeod improving, and before she used eight bottles ahe was shieto walk out. She used in all twelve bottle os hr. Guysott's Extract of Yellnw Dock and barasparile a,' which restored her to perfect health, in De 1852. She is now entirely free from any vestige of the

somplaint.

I nost, can early recommend it to every person saffering under any similar disease.
Yours truly,
I do hereby certify, that my fether's statement of my teriliness is not by any means exaggerated. My health now perfect, which I ascrale wholly to the use for ID, Gnyout's Extract of Yellow Hock and Sarsaparil a.'
